INVENTION has revolutionized the  
world during the last half century. Not  
least among the wonders of inventive pro-  
gress is a method and system of work  
that can be performed over a country  
without separating the workers from their  
work; whether sex, young or old; no special  
ability required. Capital not needed; you  
are started free. Cut this out and return to  
us and we will send you free, something of  
great value and importance to you, that will  
start you in business, which will bring you  
in money right away, thus making you  
one of the most wealthy men in the world.
